Executive Business Development (Laboratories)

We are looking for a young dynamic individual to join our team as Executive – Business Development for Hemas Satellite Laboratories.

The Role

- Developing the marketing strategy for the assigned region, aligned with the overall business strategy and implementing the same.
- Promoting the product and the services by advertising, providing necessary information for customers and relevant stakeholders.
- Carry our day to day marketing and sales operations, corporate operations, launches, marketing events and marketing campaigns that promote the laboratory brand within the region.
- Build relationships with key stakeholders in the region.

The Person

- Should be fully or partly qualified in CIM/ SLIM or any other marketing qualification offered by a recognized institute.
- Having an academic qualification in laboratory management or as a Medical Laboratory Technician will be an added advantage.
- Should possess excellent communication, interpersonal and presentation skills.
- Should have a good working knowledge in MS office packages.
