

## JOIN OUR TEAM TO CELEBRATE COMMUNITIES FROM FARM TO CUP

Amazon Teas/English Tea Shop is a leading independent specialty and organic tea company based in Sri Lanka & the United Kingdom. Our own brand "English Tea Shop" is highly sought by tea aficionados around the world and is marketed in over 55 countries.

## TEA BAGGING MACHINE OPERATORS

### JOB ROLE:

You are a key member of the Production Team and will hold major ownership of machine based production of the company, which necessitates possession of required technical knowledge and skills.

As an Operator you will have to plan and manage daily machine production targets with an overall understanding of raw material requirements, production/packing techniques, weekly team targets & measurements, preventive maintenance schedules etc.

The opportunity to interact with our unique learning culture through Open Book Management activities will be a plus point in your learning process and career.

### PERSONAL PROFILE:

1. Minimum qualification of GCE O/L with English knowledge (Read/Write)
2. Full or part qualification in a Mechanical or Electrical course from Sri Lanka Technical College or equivalent.
3. Around 3 years' experience in tea bag manufacturing industry working on IMA C27, IMA C28, Twinkle, Sanko, Maisa tea bagging machines and Sollas, Marden-Edwards over wrapping machines.
4. Candidates with lesser experience also may apply if they are technically qualified.
5. Candidates having technical experience in other industries also will be considered.

### PROFESSIONAL COMPETENCIES:

1. Strong and dynamic personality with ability to work under tight deadlines
2. Learning mindset and ability to perform as teams in an open company culture
3. Must be a fast and willing learner, with a high commitment and flair for innovations

This is an ideal opportunity for energetic individuals to enhance their careers in a fully-fledged manufacturing entity with a high-tech fleet of machinery.

An attractive remuneration package above industry standards await the right candidates.
