

Be a leader of tomorrow!

We are looking for Management Trainees/Junior Financial Analysts to join our team!

With a legacy of over a century, Carson Cumberbatch PLC is one of Sri Lanka's largest diversified conglomerates with growing businesses spanning across South and South East Asia.

We, Carsons Management Services (Private) Limited are the centralized management services arm to Sri Lankan operations of Carson Cumberbatch PLC.

YOUR ROLE

As a Management Trainee, you will be evaluating the emerging macro environment trends and various industry-related developments whilst actively supporting our operational and financial decision making process.

MORE ABOUT THE ROLE

- Identifying and analyzing trendsetter ideas, research on international markets/businesses, generating value-adding market and consumer insights
- Studying and analyzing development plans of Sri Lanka and identifying new business opportunities for the group
- Preparing business plans, financial models, valuations and other detailed financial and operational analysis of group business development activities
- Preparation of Board papers and presentations related to the business development activities of the group
- Maintaining information databases for business decision making

ABOUT YOU

- You should be a foreign/local degree-holder in a relevant field, having a broader outlook of macro-economic affairs and/or with a professional qualification from ICASL/CIMA/ACCA
- You should possess excellent research, interpersonal and communication skills.
- Relevant experience if any, is an added advantage.

The Management Traineeship is for a period of 2 years. We assure you an exciting learning environment to build your career!

If you are the ideal candidate, please send us your resume within 10 working days to careers@carcumb.com
