Trainee Optometrist

Lanka Hospitals is in search of a Trainee Optometrist to provide ophthalmic care at the eye clinic.

You will be responsible in assisting the eye clinic procedure and support the consultant to carry out relevant procedures.

Ideal candidate should have the following:

- A/L in Bio Science
- Diploma in Optometry
- Good communication skills in Sinhala and English
- Knowledge in Tamil would be an added advantage
- Preferably with one year of work experience in similar capacity

Should you measure up to the expectations, please forward your complete resume with contact details of two non-related referees within 7 days of this advertisement. Write the position for which you are applying on the top left-hand corner of the envelope or in the subject line of the e-mail.
