LKA

Gateway College invites you to join a team of professional educators who are committed to delivering cutting edge learning in a Sri Lankan setting.

The applicants should be graduates/trained teachers or those with professional qualifications who are qualified to teach the subjects advertised. Prior experience in teaching will be an added advantage. Successful candidates can be assured of an attractive remuneration package, a great working environment and good career prospects.

Please apply with complete CV along with the names and addresses of two non related referees to the given E-mail address within 7 days of this advertisement.
