

## Rehabilitation Manager

The Rehabilitation Manager will be responsible for day to day operations of physiotherapy, injury management and medical support for the SLC High Performance Centre

The Rehabilitation Manager is to provide a high level of physiotherapy and injury management to the Sri Lanka Cricket National Player Pathway

### Principal Responsibilities:

- Rehabilitate injured National Team players efficiently and effectively:
  1. in the quickest time possible
  2. with the least likelihood of re-injury
  3. to an appropriate level to perform in international cricket
- Perform robust Return-to-Play fitness testing on injured National Team players
- Coordinate specialist opinions and (overseas) surgeries for significantly injured players
- Maintain and establish strong relationships with a high-quality network of medical specialists (locally and abroad)
- Chair the weekly Sports Science Sports Medicine (SSSM) Case Management meetings and ensure action items are delivered on
- Produce timely and accurate 'Injury Update Reports' on all national squads to selectors and coaches
- Lead, educate and mentor the HPC physiotherapy staff on their injury management of A Team, Emerging, U19 and Women's players
- Develop high quality physiotherapy staff and services at the HPC (including a structured professional development program)
- Conduct regular physiotherapy screening of all national squad players to ensure a comprehensive baseline (and benchmark) database for Return-to-Play testing and decision making

### Secondary Responsibilities:

- Maintain high standards of record keeping. This includes all physiotherapy notes, rehabilitation programmes and objective data
- Order and maintain the relevant products as required by the physiotherapy and medical department
- To foster positive relationships with other support staff, coaches, players and administrators within the Sri Lanka Cricket National Player Pathway
- Travel as directed by Lead Physiotherapist on home and away tours aligned to the Sri Lanka Cricket National Player Pathway

### Required Qualifications and Experience:

- Undergraduate qualification in physiotherapy
- Masters in sports physiotherapy is preferred

### Preferred Qualifications and Experience:

- Relevant professional registrations in physiotherapy (CSP, HSCP, APA)
- A minimum of 2 years providing sports physiotherapy and sports rehabilitation services in an elite sporting environment, ideally in cricket
- Understanding and experience of the unique demands associated with elite cricket
- Experience of managing and coordinating multi-disciplinary staff
- Strong IT skills and exposure to digital platform player management systems
- Strong disciplinary skills
- Driver's License

An attractive and negotiable remuneration package with other fringe benefits will be offered based on qualifications, experience and competence

All applicants should forward their applications to [vacancies@srlankacricicket.lk](mailto:vacancies@srlankacricicket.lk) along with the names of two non-related referees within 7 days from the date of this advertisement
