## WE ARE HIRING

# GRAPHIC DESIGNER

WORK FROM HOME - FULL TIME

Nexlab is a creative agency catering to a worldwide client base. We are in search of an ambitious individual to be a part of our growing team of creatives. If you are a go-getter with excellent creativity, this job is for you.

### RESPONSIBILITIES

- Design digital collateral ranging from web, social, and print media
- Conceptualizing, designing, and maintaining internal portfolios
- Create effective project presentations and style guides
- Design compositions and brand mockups
- Create visual brand stories that immediately engage an audience

### REQUIREMENTS

- Compelling portfolio with a wide range of creative projects
- An eye for modern and contemporary visual design
- Knowledge in branding, color systems, typography, patterns, and compositions
- Ability to work under pressure
- Great time management skills and organization skills
- Staying up to date with current industry standards and design trends
- The ability to work on motion graphics is an added advantage
- Excellent knowledge of Adobe design software
