

Melsta Laboratories

GOLD STANDARD LABORATORY SOLUTIONS

Bringing the benefit of the latest medical Laboratory capabilities to Sri Lanka, Melstacorp PLC has established Melsta Laboratories as its fully owned subsidiary and it will function under the most stringent international quality assurance principles.

With the intention of providing people with enhanced supportive healthcare facilities thus improving their quality of life, Melsta Laboratories is in the process of establishing its services island-wide by opening a chain of laboratories with its central laboratory in Colombo and a number of regional laboratories situated in the periphery of the country. We invite energetic, qualified, professionals to be part of this committed team, which is designed to positively revolutionise the medical laboratory industry in Sri Lanka.
