

We are Sri Lanka's premier private sector commercial bank. Our visionary journey has taken us beyond the realms of business as we have made a conscious effort to go where no bank has dared to go; from downtrodden villages long-forgotten, to the world across the shores. The driving force behind this epoch-making journey is our strong team of achievers, affectionately known as the Hatna Family. As we continue to make history and move ahead, we invite dynamic and ambitious individuals to join us in our trailblazing banking saga.

We are looking for bright minds to help us create a world of happy experiences.

DATA ENTRY OPERATOR (Outsourced)

Job Profile

The Data Entry Operator is responsible for performing data entry work from source documents using appropriate computer systems. The ideal candidates should possess high speed data entry skills, whilst meeting accuracy and confidentiality of information in accordance with the Banks' best practices and regulatory requirements.
