Now, with diversification of our talent pool in mind, we are willing to explore Sri Lankan talent and take in the best out of the lot. In this vein, we are looking for drivers with following expertise to integrate into our Team

Every year we carry out more than 80 thousand orders on car carriers and curtain semi-trailers all over Europe and are ready for any task.

Integral part of our activities: only highly skilled drivers, continuous competence development, control, analysis and quality assurance.
