

## **VACANCY FOR THE POST OF MANAGEMENT TRAINEE**

Forbes & Walker established in 1881, is today, Sri Lanka's largest produce broker. We handle almost a quarter of the National production of tea and almost half the rubber sold through auctions. The group is expanding its operations beyond traditional brokerage services to providing a complete service including estate supplies, logistics, research and development, market intelligence, financial services and other augmented services to its clients.

Applications are invited from persons below the age of 25 with a degree from any recognized university to work in the Rubber Brokering Department.

The selected candidate will receive a salary in keeping with the current market.

Please apply with full Bio-data quoting two non-related referees to reach us within 7 days of this Advertisement.
