WE ARE
HIRING

Technical Officer / Department of Electrical & Electronic Engineering

JOIN OUR TEAM

The Sri Lanka Institute of Information Technology (SLIIT) is a pioneer in the higher education sector of Sri Lanka and offers undergraduate, postgraduate and research degrees. SLIIT is committed to providing the best student experience through highly committed academic and non-academic staff who teach, mentor, guide and support a community of over 15,000 students.

The Department of Electrical & Electronic Engineering has over 20 academic staff, a large cohort of undergraduate students and modern laboratories in the major areas of Electrical & Electronic Engineering. We are looking for a bright and dynamic individual to join our team as a Technical Officer for the Department of Electrical & Electronic Engineering.

Key Responsibilities:

- Manage and maintain laboratories in Electrical and Electronic Engineering, which includes infrastructure, equipment, and component
- Assist Academic staff and students in carrying out research, learning and teaching in Electrical and Electronic Engineering laboratories.
- Perform administrative duties as directed by the Head of Department, Dean and the Higher Management.

Eligibility requirements:

- NVQ 6 level or equivalent qualification in a relevant field
- Minimum of 02 - 03 years of experience in a similar role
- Excellent communication and interpersonal skills

SLIIT offers a competitive salary and other benefits commensurate with qualifications and experience.

Please send your application via email to careers@sliit.lk clearly indicating the post applied, to reach us within 7 days of this advertisement.
