JOB ANNOUNCEMENT

State - Owned Enterprise (SOE) reforms are a pivotal part of the Government's (GoSL) reform program. As part of this process an SOE Reform policy has been approved by the Cabinet of Ministers and SOE legislation is being drafted to give effect to this policy. Further, the Cabinet of Ministers has given approval in principle for the divestiture of identified state entities. For four of these entities, GoSL has, via both the local and international press, called for expressions of interest whilst for the others, this will be done shortly. Other divestitures will be scheduled as and when approval is received from the Cabinet of Ministers.

The SOE reforms are being carried out by the SOEs Restructuring Unit (SRU), formed under the Ministry of Finance, Economic Stabilization and National Policies. Given the importance of SOE restructuring, several Multilateral Agencies are providing assistance to the SRU.

The Ministry of Finance, Economic Stabilization and National Policies is now seeking to engage Sri Lankan professionals on contractual basis who are suitably qualified and experienced to join the SRU.
